Screen Protector. Titan Shield®

TITAN SHIELD® is eSTUFF's sub brand for screen protectors

Responsibly packed:

Our innovative envelope packaging reduces cardboard usage and cargo space by an impressive 75%. Made entirely from FSC Certified paper and printed with solvent-free soy ink, our packaging is completely plastic-free and environmentally friendly.

Glass quality:

Our case-friendly 9H tempered glass provides superior protection against scratches, chips, and cracks. The Titan Shield® features an anti-shatter film that keeps small glass pieces contained if it breaks. With real glass properties, it ensures no change in color or touch sensitivity when applied.

Protection features:

The Titan Shield® is engineered to break under excessive force, absorbing most of the impact and will in most cases protect your device's display from damage.

Included in the envelope:

The Titan Shield® comes with a cleaning kit

- Case friendly
- Easy to install and easy to remove
- Full glue
- 150% more scratch resistant than steel
- 9 times stronger than normal glass (9H)
- Impact resistant to bumps and knocks
- 100% touch preservation
- Cleaning kit included
