ATX

CONNECTIONS

- 1x USB 3.2 Gen 2x2 Type-C
- 1x USB 3.2 Gen 1 Type-A
- Mic In/ Audio Out
- LED Switch Button
- Power Button

FEATURES

Pre-build with Reverse-blade Fan

Pre-installed on the side are reverse blade fans, allowing the unobstructed display of the ARGB fan's beauty without any interference from fan frames.

Support Back-Connect Motherboard

Supporting back-connect motherboards enables easy installation without the worry of forgetting to connect cables, which might otherwise require disassembling graphics cards and coolers.

270-degree Panoramic Display

Drawing inspiration from the MAG logo, create a distinctive chassis design that embodies the unique MAG characteristics. The front interior of the chassis incorporates a space for displaying figurines, complemented by a 270-degree panoramic tempered glass, transforming it into a showcase-style chassis.

GPU Support Stand

Equipped with a level indicator to ensure effortless adjustment of the support height during installation, preventing sagging. Meanwhile, its magnetic base secures more stability within the chassis.

1 to 4 ARGB-FAN Control Board

This fan control board supports up to 4 x ARGB fan function. Allow you to use the LED switch button to adjust the ARGB lighting intuitively.
