

MoGo 4 Laser | Google TV

Portable Triple Laser Projector

Superpowered by Triple Laser

With triple laser technology, enjoy dazzling visuals with 550 ISO Lumens, 110% BT.2020 color gamut, and a 1000:1 contrast ratio—delivering bright whites, deep blacks, and stunning color clarity on a 120" screen.

Built-in Battery for Endless Fun

Take big-screen entertainment anywhere with up to 2.5 hours of playtime—perfect for unforgettable camping trips. Pair it with our PowerBase Stand for up to 5 hours of extended viewing.

360°

360° Adjustable Built-in Stand

Featuring a 360° universally adjustable stand and ISA Technology, MoGo 4 Laser automatically aligns and adjusts the image for a perfect view from any angle. Project onto any surface, from floor to ceiling, and enjoy your favorites your way.

All-in-One Vibes Machine

Set the perfect mood with Magnetic Creative Filters, Dual 6W Harman Kardon Speakers, and Ambient Light Mode. Use it as a premium speaker or let the lights move to the beat for a dynamic, immersive ambience.

NETFLIX

Google TV with Licensed Netflix

Stream the latest hits and must-watch shows all from MoGo 4 Laser. Access 10,000+ apps and 800+ free channels. No setup required—just turn it on and enjoy!

Remark:

1. The brightness data is from the XGIMI Laboratory. Actual product brightness may differ based on the specific test software version, testing environment, and product version.
2. All parameters listed on this page are measured in a controlled test environment before the product is mass-produced. The results may vary based on individual user experiences, including different environments, usage conditions, and firmware versions.
